Re: 10 Commerce Boulevard, Wrentham, MA

Dear Mr. Mcknight:

I am writing in order to request a continuance of the public hearing regarding the development applications relative to the above-referenced property.

Currently the matter is scheduled as a continued hearing for November 15, 2023. We are anticipating that in mid-December an FEIR will be refiled relative to the combined developments on Commerce Boulevard. That new filing will provide additional information relative to the intersection of Washington Street (Route 1) and Commerce Boulevard. We believe that having the filing completed prior to holding an additional public hearing will save time and avoid the need to speculate as to its contents.

Accordingly, we are requesting a continuance of the public hearing to the Planning Board meeting currently scheduled for December 20, 2023.

Land Planning staff has an executed continuance form on file and has our permission to use that form in the event the Board grants this request.

Thank you for your time and consideration.

Very truly yours,
